

LMSC MIDWINTERS 2008-2009
THIRD RACE DAY FEBRUARY 14, 2009

Cold winds out of the south, strong and fairly steady. Committee boat taking on water, so all starts were on lee shore. Ten El Toros registered. No other class was present. The first start was delayed until a gondola under repair was moved away from the hoist and the City launched a patrol boat.

RC Doyle Buddington, Duncan Carter, Peggy Darnall, and Vickie Gilmour.

El Toro results for the day and the series are follows. (The two juniors started with the senior fleet but were scored separately.)
