

NEWS FROM STEVENS CREEK:

Last Saturday, a jolly group of El Toro sailors and spouses enjoyed each other's company, a nice pot luck, the gift exchange and awards for sailing.

Thank you to Mark and Lynne for hosting the party.

Novice: Mike Pacholski
Winner of Q5: Ed Patterson
Winner of Q4: Tony Su
Winner of Q3: Paul Zander
Winner of Q2: John Pacholski
Winner of Q1: Art Lange

Scoring for the entire year of 28 evenings of sailing (should have been 30, but were were musseled off the lake for 2 weeks.)

- 1 Art Lange
- 2 Paul Zander
- 3 Tony Su
- 4 Malcolm Wilson
- 5 John Pacholski

In 2008, 16 different sailors participated.

Now check your calenders for 2009.

If we start on April 8, then the last week would be October 28. Alternatively we could start on April 1, schedule the last week for October 21, and have the possibility of "make up" day in case we need to skip a week.

What is the preference of the fleet?
