

RYC Junior Invitational

4/4/09

Ten advanced and intermediate junior El Toro sailors raced in a spring regatta at Richmond Yacht Club on April 4. A westerly breeze between five and ten knots provided perfect conditions, and the fleet got in five solid races. The competition was tight, particularly in the windier conditions in the morning, with eight of the ten competitors having at least one top-five finish. The top three sailors, Michael Pacholski, Mackenzie Cook, and Dane Perrott, traded podium finishes throughout the day, with Michael finishing on top with 6 points and Mackenzie nipping Dane for second in a tie-breaker with 8 points. The Richmond event is the first of five regattas in the junior season championship series for 2009. Participation should increase for the rest of the series. (Buzz Blackett #11914)
