

2010 Pinecrest Summer Racing

We have a all comers race every day from the 4th of July until just before labor day (except August 7-8th), there is no charge, skippers meeting at 2:pm race off at 2:30, open to anything that sort of looks like a El Toro, we had a US Sabot the other day that got 3rd out of nine boats. Juniors in Opty's would be fine too.
